Steven Vale, M.D. Announces New Vision Correction Surgery Center

Steven Vale, M.D., Medical Director at Acuity Laser Eye and Vision Center is please to announce the Grand Opening of his new state-of-the-art Laser Vision Correction Center located at 216 Nazareth Pike, Bethlehem Pennsylvania.

Conveniently located close to all the major highway systems including routes 78, 22 and 33, and the Pennsylvania Turnpike, Acuity Laser Eye and Vision Center specialize in LASIK and other vision correction procedures.

Dr. Vale has performed over 20,000 vision correction procedures since 1994, more than anyone other surgeon currently practicing in Pennsylvania.”

Having received his medical degree from The Medical College of Pennsylvania (now Drexel University School of Medicine), Dr. Vale served his medical internship at Crozer-Chester Medical Center, Chester, Pennsylvania and completed his residency in internal medicine in 1991 at Pennsylvania Hospital, Philadelphia. He completed his residency in ophthalmology at Henry Ford Health Sciences Center in 1994, and a cornea, external disease and refractive surgery fellowship at the Kresge Eye Institute, Wayne State University in Detroit Michigan. Dr. Vale is specialty board certified in both Internal Medicine and Ophthalmology.

Dr. Vale began performing PRK and LASIK in 1994, under the supervision of internationally renowned refractive surgery pioneer Fouad Tayfour, M.D.

Dr. Vale and his staff invite you to call Acuity Laser Eye and Vision Center at (800) 818-3098 to schedule your free consultation.
